 Defendant.)

On March 17 and July 6, 2006, the Court entered Preliminary and Final Orders of Forfeiture, respectively, forfeiting the defendant's right, title and interest in certain items defendant used in violation of federal law for which he was convicted, i.e., Conspiracy to Commit Criminal Copyright Infringement By Electronic Means, in violation of Title 18, United States Code, Section 371 and Copyright Infringement By Electronic Means and Aiding and Abetting, in violation of Title 17, United States Code, Section 506(a)(1)(B), Title 18, United States Code, Sections 2, 2319(c)(1). It was later determined that the serial numbers associated with some of the items were inadvertently listed incorrectly. This Order corrects those clerical errors.

THEREFORE, IT IS HEREBY ORDERED that the items listed below are hereby forfeited to the United States, pursuant to Title 17, United States Code, Sections 506(b) and 509(a). All right, title and interest in said property is vested in the United States of America. The appropriate federal agency shall dispose of the forfeited property according to law.
